Notes

1. The above information was extracted from available Census Returns - Details checked.
2. Remarkably Susan (Suzanne) Fry appears on each Census above, but periodically appears to lose or gain years!! Her headstone in the Church Yard records she died 28th March 1892 aged 87, which rather indicates she WAS born in 1805 and the first two censuses are correct.

(S) Single (i.e. unmarried).
